Subject: Discussion items

Real quick take a look

The following is a list of items that we may want to touch on briefly tomorrow. I assume the main purpose of the meeting is to discuss EA's website capabilities and how it applies to the LOOW project.

1. Website capabilities

- a. posting documents
- b. internal review of documents
- c. planning mechanisms

what info do they need from us?

2. INPR

- a. discussion of latest findings (Mike O'Neill)
- b. what's next
- c. schedule

3. Meeting Minutes from 7-8 March

4. Three additional sites (pond, drum trench, potential ground scar)

- a. funding
- b. addenda/workplan comments

5. Component 2 data to John Syms

- a. review letter

6. Status of Data Validation

- a. funding
- b. timing

7. Next Meeting

- a. prep for RAB
- b. pipeline discussion

-> 5/14/01
-pipes we knew so far.
